

## GEORGIA ASSOCIATION OF SCHOOL NURSES

We would like to make a special offer to you for sponsorship on the GASN website.

This has tremendous target potential making this quite valuable; therefore we want to enter into an affordable agreement that entices long-term success for everyone. An annual or bi-annual sponsorship would include a banner ad or linkable logo that will rotate throughout various pages of our website. You can view these at [www.gasn.org](http://www.gasn.org). Each sponsor rotates throughout the website each time you click from one page to another and every time you go to the site thereby reaching more users more often. A landing page will give you a “bridge” for customizing your message to GASN members, then link to your website.

Banner size is 200x50 pixels. You may provide the banner or we will build it for you. If you provide it, it must be in one of the following formats: .png, .bmp, .tif, .jpg or .gif. Please E-mail it to Sabra Priester, our Web Manager or to Susan DeLeGal [info@webelectronicsinc.com](mailto:info@webelectronicsinc.com), our webmaster.

The website is 24/7/365 and sponsorship would be year-round. The sponsorship renewal cycle will be the same as our GASN membership year. For technical questions, contact Susan DeLeGal at [info@webelectronicsinc.com](mailto:info@webelectronicsinc.com) or call 912-530-8346.
